# Dedication

TO THE PARENTS

We wish to thank you Moms and Dads for the opportunity to receive an education. In remembrance and love, we, the seniors of nineteen hundred and sixty-two, do hereby dedicate this annual. We hope you will accept this as a token of our appreciation. We are grateful to you for many things; among them are patience and understandings necessary for every young person. Now that you have gotten us this far, it is our job to continue on. We will remain forever grateful to you.

# Faculty

MR. PAUL CHESTER, SUPERINTENDENT

TO THE STUDENTS OF CURLEW HIGH SCHOOL

Another school year is almost over. I hope that you have enjoyed it and that it has been profitable for you. I sincerely hope that you may continue to enjoy and profit by additional education of by other worthwhile endeavors.

I congratulate the members of the Class of 1962 for the completion of their high school career. The class has been quite active through the years and this year shown excellent growth in classwork and out of class activities. It has been pleasant to work with you. I trust that your future may be most enjoyable and rewarding.

I have thoroughly enjoyed being with the students of Curlew High School for the past five years. I wish for all of you a happy and successful future.

# Seniors

# Twelve Years Together

# Senior Class History

We entered high school twelve strong, in the fall of 1958. We were duly initiated by a group of enthusiastic Sophomores and became full-fledged members of the Cougar pack. In our Freshman year Patsy Eli, Marc Nogle, and Larry Borders joined our class.

The highlight of our Sophomore year was the initiation of the incoming Freshmen. The class lost Acey McNitt, Marc Nogle, Patsy Eli, Steve Summners and Larry Borders, but gained Linda Wedekind.

Our first attempt at organization came in our Junior year when we presented the play "Just Ducky." It was a smash hit and we netted a nice profit. The Junior Prom was held on April 21. The gym was beautifully decorated in two shades of blue to the theme "Blue Hawaii." Vernon Brenner and Linda Wedekind had the honor of crowning our royalty, Queen Sharon Smith and King Michael Butler. Music was furnished by Bill Martin and "The Noteables" from Spokane. June Stotts and Randy Beck left our class in the Junior year.

Of course our big year was 1961-1962 when we became Seniors. On October 27, we traveled to Des Islets Studio in Spokane to have our pictures taken. Soon it was November 11, and with the theme for the evening "Shine on Harvest Moon" we held our Senior Ball. The colors were again predominately blue with decorations to carry out the theme. Dale Nelson and Janice Edwards were king and queen. The Harmaniacs from Colville provided the music. Larry Ziebert joined the class in our senior year and our total became ten. Our Senior Sneak was to Seattle and the "World's Fair." We all had a wonderful time and had many experiences that we will always remember. On May 23, 1962, we, the remaining nine of the twelve that started, received our diplomas.

Though Curlew High School is now behind us, we will always remember the wonderful times we have had here.
